In _____ on the ___ of _____, _____

Signed

INSTRUCTIONS

1. The Form shall be used by the data subject who wishes to have his or her personal data provided to him or her in a structured, commonly used and machine-readable format.

It may also be used if the data subject wishes to have such personal data transmitted directly from controller to controller where technically feasible.

2. The applicant must be sufficiently identified in the application, which must be signed. If the application is made by a third party, the representation granted for this purpose must be duly accredited.

You should be aware that, where the controller has reasonable doubts as to the identity of the natural person making the request, the controller may request that additional information be provided to confirm the identity of the natural person making the request.

3. The Spanish Data Protection Agency does not have their personal data and can only provide the contact details of the Data Protection Officers of the entities obliged to appoint one who have notified their appointment to the Agency. It may also provide these contact details with regard to those entities that have voluntarily appointed a Data Protection Officer and have notified the Agency of their appointment.

4. The owner of the personal data undergoing processing must contact directly the public or private body, company or professional which he/she presumes or is certain to hold his data.

5. So that the Spanish Data Protection Agency may process your complaint in the event that your request to exercise your right to exercise the right to data portability within a period of one month, and provide any of the following documents:

- the refusal of the controller to allow the portability of the data requested.
- a copy of the portability request form, stamped by the controller.
- copy of the portability application form stamped by the post office or copy of the receipt for sending it by registered post.
- any other means of evidence provided by the controller from which receipt of the request can be deduced.
